

Sacramento Report

By CHARLES CHAPEL

Assemblyman, 46th District

Alert The Patriots

On Tuesday, March 31, at 3 p.m., the Assembly Committee on Elections and Reapportionment will hold a public hearing in Room 3184, on Assembly Bill No. 52, which is my bill to outlaw the Communist party in California. The Honorable Chas. J. Conrad, Assemblyman from the 57th Assembly District, will preside as chairman. Assemblyman Conrad has received requests from members of the American Society of Friends (Quakers) and from the American Civil Liberty Union to appear and protest the bill. From reliable sources I have learned that several subversive organizations will come to Sacramento to demonstrate against my bill. Therefore, I call upon all patriotic people, especially members of the American Legion, the Veterans of Foreign Wars of the United States, Daughters of the American Revolution, to send delegates to the hearing in support of the bill. Those who are opposed to our American way of life go out of their way to fight our efforts to fight treason. Certainly patriotic bodies should publicly proclaim their views.

Narcotic Hearing Set

On Monday, March 30, at 8 p.m. in Room 4202, the Assembly Judiciary Committee will meet and the Honorable Thomas Caldecott, chairman, will conduct a public hearing on Assembly Bill No. 85, which is my bill to sentence to life imprisonment anyone who sells narcotics to a minor as a first offense, and sentence them to death on a second conviction of selling narcotics to minors. It must be explained that life imprisonment generally means only seven or eight years in California.

Tax-Cut Fight Continues

I have not yet set Assembly Bill No. 5 for a hearing. This is my bill to cut California taxes. Many assemblymen have agreed that they will vote against any bill to increase old taxes, but some are not yet convinced that we should cut taxes at this session. However, more and more assemblymen are being won to the tax-cut program because of letters from their constituents back home. Thus we have a good example of "Democracy in action."
